

Tidewater Arts Outreach
Programs Partnership

Arts Programming and Training Support Therapeutic Activities

- Strengthen Enrichment
- Improve Caregiver Skills
- Enhance Client Wellness

Arts Outreach Programs

- Hundreds of area artists and teachers work through us to develop programs that engage clients in song, dance, music, movement, art, poetry, drama and visual arts.
- We currently schedule monthly or quarterly group experiential arts programs for socialization, stimulation, creative self-expression, learning new skills and other wellness benefits.
- We engage and train volunteers to assist artists and staff, creating a richer experience for participants.

Innovative, Engaging Programs

Innovative, Engaging Programs:

- Lunch and Learn staff training
- Inter-Generational music & arts
- Caregiver Respite workshops
- Appropriate, engaging arts for adults with cognitive impairments

Artist & Caregiver Workshops

We offer exceptional training opportunities in a variety of art forms to enhance staff skills. Program partners receive discounts on regional training events; we also can bring our staff to your location for a tailored training experience. Program partners also have the opportunity to host regional trainings, workshops and film screenings.
