To Whom It May Concern,

Over the past couple of years, we have used several music groups at our facility from the help of Tidewater Arts Outreach. We have had programs involving singing and instrument playing. My residents have really enjoyed the programs. They always seem to enjoy themselves and the residents always tell me what they think about the performances afterwards. I often see my residents singing and tapping their feet to the music, and that is so important. I am very thankful for all the help Tidewater Arts Outreach has provided us.

Thank You,

Stephanie Lohr,
Director of Activities
