## BRIDGING THROUGH PAINTING:

### PAINT AND SIP WITH WALT HARDY

**JUNE 29, 2021 @ 3:00 PM**

Join **Walt Hardy**, a visual artist, in a live session to explore painting with acrylics!

No matter what the ability or skill level, there's always a way to experience the joys of painting with friends, family and community neighbors.

Walt Hardy is a graduate student in the Fine Arts Department at Norfolk State University. His goal is to create a socially conscious body of work, which inspires viewers to look more carefully at the world around them.

We will see you there!
