

OVERTURE VIRGINIA BEACH GHOST STORIES **FEATURING LISA COOPER** **WITH THE MUSE WRITER'S CENTER**

OCTOBER 15, 2021 AT 7:00 PM EST

Whether you believe in paranormal or not, the stories of goblins, ghosts and ghouls are an age old tradition in October. Join Lisa Cooper as she shares stories!

The Muse Writers Center is Hampton Roads' nonprofit literary center. We offer creative writing classes and seminars for beginning and experienced writers--whether they be adults, children, or teens; house a resource center in Norfolk for area writers; and host readings, open mics, and special events at The Muse and around the region.

See you there!
