

# ATLANTIC SHORES- HARBOURWAY A WINTER SCENE WITH WALT HARDY

JANUARY 4, 2022, AT 1:30 PM EST

Come and and enjoy some acrylic painting!

Walt Hardy earned his MA from Norfolk State University in 2019 and a former resident artist at the d'Art Center. His goal is to create a socially conscious body of work, which inspires viewers to look more carefully at the world around them. Walt offers painting classes for all skill levels following a Paint and Learn model. His variations using acrylics and encouragement are ideal in any setting.

See you there!
