

HARBOR'S EDGE RETIREMENT COMMUNITY PARTY WITH A DRUM BEAT WITH RICKY MICOU

JANUARY 30, 2022 FROM 2:00 PM EST

Steel Drums are more fun to play than listen to!

Ricky spent 20 years in the Navy Music Program perfecting his craft performing in numerous wind ensembles, jazz combos, jazz big bands, top 40 bands, marching/ceremonial bands, chambers groups and as a featured soloist in the Navy Steel Drum Band. The music that I will be presenting will be music from the islands of Caribbean, Cuba, South America. The performance will be hands on where everyone will get a chance to play the steel drums and various percussion instruments.

We hope to see you there!
