

# BETH SHALOM - THE TERRACES SING-A-LONG WITH RICK SEGUSO

May 8th at 2 PM

You don't want to miss this!

Rick is songwriter/guitarist and plays in a laid back, singer-songwriter style of Americana; blending blues, folk and country. He plays about a 50/50 mix of his own songs and covers. As a side note: Rick was the Road Manager for Bruce Springsteen in the mid 1970's.

See you there!
