

# OPUS SELECT RESIN TRAY WITH HEATHER QUEEN AUGUST 11TH, 2022 AT 2PM

You don't want to miss this!

Heather has always been interested taking things like shells, glass, rocks, and glitter to create art. She mainly focuses on preserving those items in resin. Something magical happens when resin is applied, and the light hits all those glistening pieces. Come make some fun trays with her!

See you there!
